Sir:

**COMMUNICATION IN RESPONSE TO JANUARY 7, 2003 NOTICE TO COMPLY  
WITH REQUIREMENTS FOR PATENT APPLICATIONS CONTAINING  
NUCLEOTIDE SEQUENCE AND/OR AMINO ACID  
SEQUENCE DISCLOSURES**

This Communication is submitted in response to a January 7, 2003 Notice to Comply with Requirements for Patent Applications Containing Nucleotide Sequence and/or Amino Acid Sequence Disclosures issued by the United States Patent and Trademark Office in connection with the above-identified application. A response to the January 7, 2003 Notice is due March 7, 2003. Therefore, this Communication is being timely filed.

The Notice to Comply with Requirements for Patent Applications Containing Nucleotide Sequence and/or Amino Acid Sequence Disclosures indicates that the application fails to comply with the requirements of 37 C.F.R. § 1.821-1.825. Applicant attaches hereto a copy of the Notice as **Exhibit A**. Specifically, the Notice advises that an initial computer readable form (CFR) copy of the "Sequence Listing", an initial paper or compact disc copy

of "Sequence Listing", as well as an amendment directing its entry into the application is required. The Notice also advises that a statement that the content of the sequence listing information recorded in computer readable form is identical to the written (on paper or compact disc) sequence listing and includes no new matter, as required by 37 C.F.R. § 1.821(g).

In response, applicant submits as **Exhibit B** hereto an initial paper copy of "Sequence Listing". Applicant also encloses a computer readable (CFR) copy of the "Sequence Listing". Applicant notes that all sequences in the subject application are identified by sequence identification numbers (SEQ ID NOs), so an amendment directing the entry of the "Sequence Listing" into the application is unnecessary. Applicant submits as **Exhibit C** hereto a Statement in Accordance with 37 C.F.R. § 1.821(g), certifying that the content of the sequence listing information recorded in computer readable form is identical to the written (on paper or compact disc) sequence listing and includes no new matter.

If a telephone interview would be of assistance in advancing prosecution of the subject application, applicant's undersigned attorney invites the Examiner to telephone the number provided below.

No fee is deemed necessary in connection with the filing of this Communication. However, if any fee is required, authorization
